## Village To Fix Sidewalks

The village of Antioch is getting ready to launch its annual sidewalk program.

Sidewalks that are in bad condition will be replaced if possible.

Trustee Mike Haley recommended at Monday night's village board meeting that letters be sent to businessmen and property owners who have sidewalks that need replacing. The property owners will be asked to contribute 50 percent of the cost of replacement.

"The letters should be returned by Mar. 20 so we can determine who wants to be involved and so that we can bid on the entire project," Haley said.

## Hearing On CABL Postponed

The public hearing on the CABL property, scheduled for last night, was postponed Monday by the village board.

A new date for the hearing will be set later.

Attorneys for the CABL group asked for the postponement until wording in their agreement with local schools can be worked out.

The owners of the property are asking the village to annex about 150 acres of land north of the Upper Grade School. It is bordered on the east by Tiffany Road and on the north by North Ave.

## Landfill Site Still Has Problems

## Village Asks for Remedies

The Antioch village board is very concerned about the problems at the landfill site.

But, surprisingly, they turned down a resolution Monday night which said:

"Unless immediate steps are taken by CCD (operators of the landfill) to bring the sanitary landfill into compliance with all the regulations of the Illinois Environmental Protection Agency (EPA), this board will conduct a hearing to determine whether the special use permit granted by this board shall be terminated."

The vote was 4-1, with only trustee Mike Haley voting for it. Trustee Ron Cunningham was absent.

THE TRUSTEES had authorized Andrew Lynch to draw up the resolution. Some of those voting against it last night seemed to feel that 30 days

## ACHS To Let Public Use Tennis Courts

The public will be able to use the tennis courts at Antioch High School for at least the next three years.

A "co-usage agreement" was reached at last Thursday's high school board meeting. The agreement has an option for renewal after the first three years.

Meeting with the board were Village Trustees William Seemann and Mike Haley, and Clifton Houghton of the Antioch village park committee.

IN OTHER action, the high school board adopted the school calendar for 1975-76. School will open Monday, Aug. 25, 1975, with a workshop for teachers, and will close Tuesday, June 8, 1976.

The board also approved the hiring of Mrs. Donald H. Amundsen as secretary to the business manager.

Principal Arthur Blecke reminded the board that Antioch is hosting the regional basketball tournament on Wednesday

and Friday nights of this week.

Mr. Blecke is currently working to complete a cooperative Title I Summer School program with Millburn, Emmons, Grass Lake and Antioch elementary schools.

Director of Curriculum and Guidance E. L. Kurek estimated an enrollment for next year at 1,620, up about 50 students

from the beginning of the current year.

The board received a letter from the University of Illinois at Urbana-Champaign - Continuing Education And Public Service In Music - congratulating the Antioch High School Band under the direction of John Olisar for its concert and clinic with the "Military Airlift Command Band."

## Mosquito Spraying Pact Okayed

The Antioch village board Monday night agreed on a two-year contract with the Clark firm that specializes in

mosquito control.

A representative of the firm told the trustees that the cost would be \$4,068 a year, or less,

depending on how much spraying is requested by the village.

That price is \$351 higher than last year's. The Clark spokesman said that the price of insecticides has risen 80 percent.

The program includes treatment of catch basins and inspection of mosquito breeding areas, plus as many as nine sprayings of village streets and parks at times when the pests are at their worst.

## Gas Station Burglarized

An Antioch gas station was burglarized last Thursday.

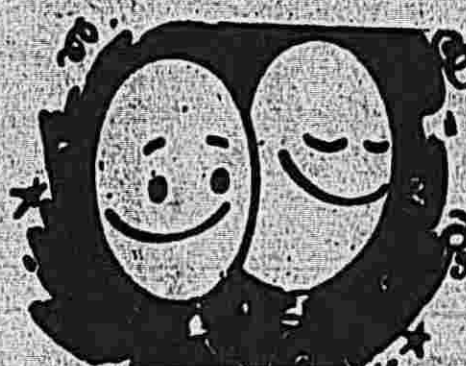

Bill Walker, an employee at Norm's Standard Service on Rt. 173 at Rt. 59, told police that he opened the station at 6 a.m. and

found that someone had broken in through a window.

The police report said that the cash register was pried open and about \$65 was taken. Items valued at \$145 were removed from shelves.

## Speeder Caught

A 20-year-old Lake Villa man was arrested on Tuesday, Feb. 25, for "speeding, fleeing, attempting to elude and reckless driving."

Antioch police clocked the young man at 57 miles an hour at 6:30 in the morning. They said he was driving in the 30-mile-an-hour zone on North Main St.

As a police officer took pursuit, he said, the driver increased his speed northbound on highway 33. A high-speed chase followed until the motorist was stopped at highway JF in Kenosha county. The driver said he was late for work, police said.

## Along the way with ANNIE MAE

This week is Lion's Recognition week. We salute the members of the Antioch club who have done so many nice things for the community and its residents.

Hear tell over 300 people attended the Antioch High School P.T.A. Talent Show last Saturday evening. Lots of local talent and a fun evening for everyone.

Ricky and Hank Apostol became parents of a 7 lb. 10 oz. baby girl born on Feb. 28 at St. Therese Hospital. Little Tricia has four brothers and four sisters and was introduced to her brother-in-law on Sunday. Quite a family I'd say! This family is a busy one, and one of their favorite ways of spending time together is working for PM&L.

Walt and Marie Delaney are just back from a vacation to the Florida Keys. They were able to visit with several Antioch friends and it seems Walt has quite a fish story to tell. By the way, whose fish was that Walt?

ONE HUNDRED and fourteen young adults were confirmed at St. Peter's Church last Sunday afternoon in a lovely ceremony performed by Bishop McManus from Chicago. Nice to see Fathers Keusal, Gregg and Hanley again.

Glad to hear Doc Abderholden is up and getting around again. Congrats to Coach Cristy Arndt and her "Dainties." The JV team ended the season undefeated and the varsity team had a 9 and 1 record. Good luck in the Zion classic tournament coming up this weekend girls.

Also, congrats to the Antioch Upper Grade wrestlers who took first place in their conference.

Special get wells to David Fosmark who is recovering from major surgery at Victory Hospital. Hope you'll be home soon Dave. Florence Morin is also a patient at Victory. I'm

sure cards would be appreciated by both of these people. Glad to hear Ruth Sheehan is home and coming along so well after surgery.

Helen Murrie and Barb Rush took a little trip to Indianapolis over the weekend to visit relatives.

FOR THOSE WHO are interested in playing Bingo, here is some info on where to go:

Monday - St. Peter's, Antioch  
Tuesday - Lindenhurst Civic Center

Wednesday - Lake Villa VFW and St. Bede's

Thursday - St. Gilbert's, Grayslake

Friday - Lion's, Fox Lake and Prince of Peace, Lake Villa

Saturday - Firehouse, Ingle-side

Sunday Afternoon - Fox Lake American Legion, Prince of Peace and St. Patrick's in Wadsworth.

Sunday Evening - Lion's, Fox Lake.

## Burglary Reported

An Antioch woman reported to police that her home was burglarized last Friday.

Beverly J. Micele of 151 Lakewood Dr., said she returned home to find that someone had broken in and ransacked several drawers in the house.

Missing were a diamond ring valued at \$300, diamond studded earrings valued at \$150 and other items.

When in doubt, tell the truth.

it was made by Antioch's Pickard China and is worth quite a bit of money as an antique now. It was of particular interest to Mr. Kohl who has been associated with Pickard since 1925. He has worked under Wilder, Austin and Henry Pickard.

Congrats to Mrs. Mary Kern, Associate Director of the Environmental Education Dept. of the Antioch Upper Grade School, who was named Conservation Teacher of the Year.

Last Friday evening the parents of the boys on the basketball team and the cheerleaders were recognized at a special "Parents Night." All of the moms received a lovely flower and cheerleader sponsor, Teri Estep was presented with a dozen roses.

Happy first birthday to Christopher Kelly on the 4th, happys to Frank Benes, Sr., Sandi Herbert and Roane Stowell on the 5th, to Dorothy Barnstable on the 7th, Florence Thomas on the 9th, and to Joe Patrovsky, Joe Gutowski, Barb Mitchell and Collette Quinn on the 10th.

DON'T FORGET - the Antioch Grade School is having their annual Fun Fair this Sunday at the school beginning at 1 p.m.

Remember also, the community World Day of Prayer service with all churches participating will be held at St. Stephens Lutheran Church on Friday, Mar. 7 at 1 p.m.

See ya,  
Annie Mae

wouldn't give CCD enough time to comply with EPA rules.

The resolution specified that the village clerk is "directed to contact the EPA within 30 days after passage of this resolution to determine if the landfill has been brought into compliance with rules and regulations.

**THE TRUSTEES'** several months ago granted CCD a special-use permit if the firm obtained "within a reasonable period of time a permit from the EPA."

To date a permit has not been issued and, according to Lynch's resolution, "numerous complaints have been received by the village, the Lake County Health Department, and the EPA, as to the operation of the landfill."

The EPA has complained that the landfill operation is contaminating Sequoit Creek.

Trustee Bill Seemann said he wants the issue to be discussed at next Tuesday's committee meeting.

"If Waste management (CCD) can't conform, then I'll ask for the resolution to be on the floor of the village board again," Seemann said. "We've gone this far, and I think this is just one more step in trying to solve the problem."

**IN OTHER ACTION** at Monday night's meeting, trustee Irv Walsh told the board that a Lake County firemen's convention will be held in Antioch on Saturday, May 31.

Walsh said that between 300 and 350 firemen will be guests of the community. He said he will ask later for the village to close Broadway St. and allow the firemen to use village parking lots on that day.

Another meeting of the village's Bi-Centennial committee has been scheduled for Tuesday, Mar. 18. The group, headed by William E. Brook, has been appointed by Mayor Wilton to plan suitable local events for the nation's 200th anniversary.

Next Monday's village committee meetings have been postponed until next Tuesday because of schedule conflicts involving members. The safety, license and permits committee will meet at the village hall at 7 p.m. next Tuesday, and the public works and utilities committee will meet at 8 o'clock that night.

**TRUSTEE MIKE HALEY** told the board that the state is planning to resurface "its 18 feet" of highway 83 from Rt. 173

north to the Wisconsin state line. Haley suggested that the

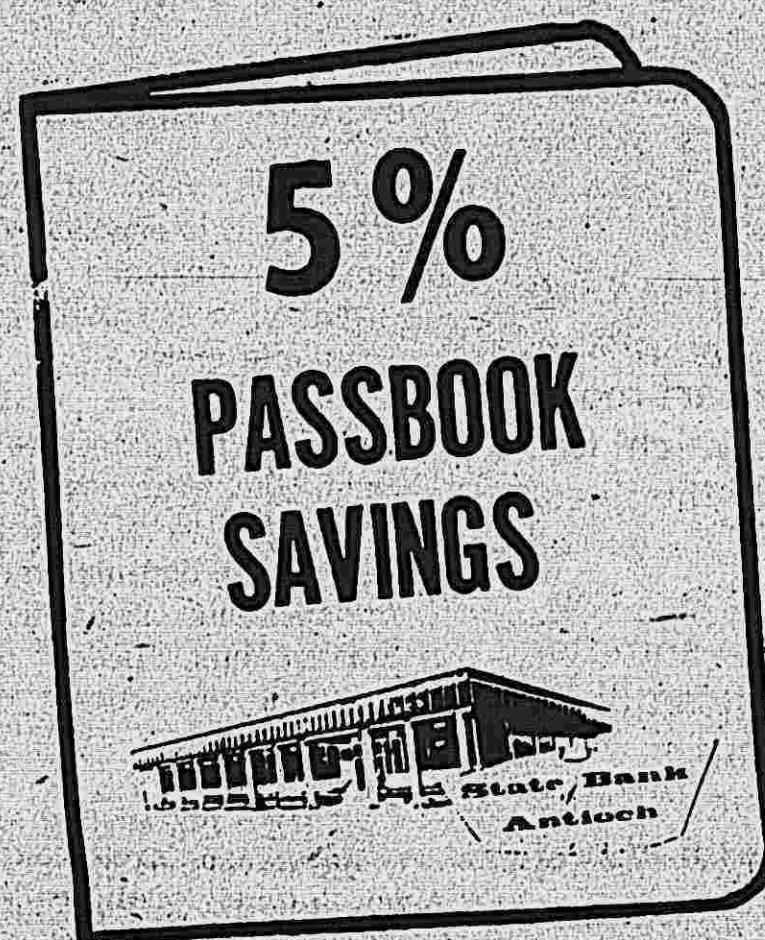

village might consider black-topping the rest of the roadway, which exceeds 18 feet, "to avoid

the ridge that would be created on each side."

The trustees also okayed the

installation of a streetlight on the southeast corner of Hillside Ave. and Crest Lane.

## DAILY INTEREST

Money grows faster at the State Bank because we pay you a guaranteed 5% interest, compounded daily, from the day of deposit to the day of withdrawal. (Absolutely no penalty for withdrawals). Most savings institutions pay interest on the amount on deposit at the end of the quarter, but the State Bank pays you interest quarterly for the full time your money is on deposit, no matter when you need to withdraw.

"Serving the Lakes Region Since 1894"

The State Bank of Antioch pays the highest guaranteed interest rates on all its savings plans allowable under Federal Regulations.

## Curtis Denny Named to Plan Group

Curtis L. Denny of 270 Bridgewood was appointed Monday night to the village planning commission.

Mayor Robert Wilton named Denny to fill the unexpired term of Frank Warren.

Warren said in a letter to the village board that he was being transferred to southern California. Mayor Wilton and the village trustees said they will send a letter to Warren, thanking him for his contributions as a village official.

### Lions' Recognition Week: Antioch Club Deserves It

This week -- Monday through Saturday -- has been designated "Lions Recognition Week" throughout the world.

Many communities have Lions Clubs, but few have one to compare with Antioch's.

"We probably have one of the best Lions Clubs in the country," Mayor Robert Wilton said last week.

He's right.

The Antioch Lions Club is one of the outstanding "movers" of this community.

To record its history and list its accomplishments would take volumes -- not just a column or two in a newspaper.

But we can make a slight dent by mentioning what the Antioch Lions have done for the local rescue squad, for example.

The Lions have been the primary fund-raising organization for the rescue squad. And anyone in Antioch who has needed the services of the rescue squad, or the fire department, know how important these volunteer organizations are to us.

IN THE PAST THREE years the Lions Club has donated more than \$27,000 to the rescue squad, purchasing the new mobile heart-monitoring and life-saving equipment which has made the Antioch Rescue Squad one of the finest in the country.

Much of this money is raised at the Lions' annual Chicken Bar-B-Q and auction, a summer event that has been supported magnificently by the village and surrounding communities.

The Lions also are famous for their "Candy Day" and numerous activities for the blind and "the saving of sight."

The Lions' vision and blood-pressure tests have been so well received that more than 1,400 persons participated in that recent one-day event.

THE LIONS ARE NOW involved in another important project -- the rebuilding and refurbishing of the Antioch swimming pool's pump house. This work needs to be done in order to re-open the pool this spring and the Lions will be out to raise the necessary \$15,000. Fund-raising events will be undertaken.

The swimming pool is a tremendous asset to the community. In addition to the recreation it

provides Antioch youngsters, there are Red Cross instructions each year that teach more than 700 kids how to swim. This is the sort of instruction that saves the lives of the youngsters who are so precious to us all.

This is just a part of the story of the Antioch Lions Club. Someday, someone ought to write a book about this outstanding organization.

It is, as the Mayor said, "one of the best Lions Clubs in the country."

## Investigate Welfare Rolls

By SEN. BARRY GOLDWATER

In this year of economic troubles it is especially important for Americans to pay some attention to Abraham Lincoln's economic views.

Some of the Civil War President's statements in this field -- had they been carefully adhered to by his successors -- would have eliminated many of the spending crises the United States has been through, including the present skyrocketing inflation.

HERE IS WHAT Lincoln would have said about some of the questions plaguing this nation today:

1 - You cannot establish sound security for the future on borrowed money.

2 - You cannot help people permanently by doing for them what they could and should do for themselves.

3 - You cannot build character and courage by taking away a man's initiative and independence.

4 - You cannot help the wage-earner by pulling down the wage-payer.

5 - You cannot bring about

prosperity by discouraging thrift.

PERHAPS THE most important thing Lincoln stood for in the field of national economic policy was the concept of helping people to help themselves. This certainly is the only way to build permanent recovery and prosperity.

Some years back, in the period of the Great Depression, it was believed that Americans would never develop a dependency upon government welfare; that their personal pride

Just tell Dick the Town Crier sent you. He'll smile and say, "That crazy nut."

A STORY elsewhere in today's Antioch News reports that the village has entered into a two-year contract with the Clark Company, which specializes in mosquito control.

Scientific data is used by this firm to determine just when the mosquitoes will be out in droves, attacking us mercilessly. That's when Clark comes in and sprays.

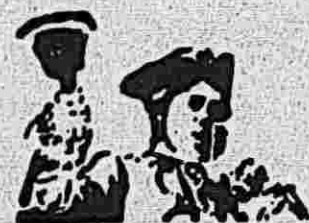

Trustee Marge Nelson said, "I don't know how they do it. One night there are no mosquitoes around, then they tell us that the next night will be a bad one and, sure enough, they're right."

"That's because we bring them in the next day in a Clark truck," said a spokesman for the firm. He was kidding, of course. (At least we think he was kidding.)

## Ducks Unlimited Dinner Tickets Still Available

The Ducks Unlimited Chapter in Antioch has scheduled its annual dinner and auction for Wednesday, Mar. 12, at St. Peter's Social Center.

Area chairman for the Northwest Illinois Ducks Unlimited Chapter is Terry Folbrink of Antioch. He said Ducks Unlimited's purpose can be explained in four words: "preservation of waterfowl habitat."

Cocktails will be served at 6 p.m. with dinner at 7:30 p.m. The chapter is encouraging children as well as adults to

attend the dinner. There will be prizes and an auction that will include a special limited edition shotgun and limited editions of prints of waterfowl.

The program will include awarding of prizes, the auction and a movie.

Cost of the dinner is \$10 for members. Tickets are available from ticket chairman Tony Starcevic at the State Bank of Antioch.

Other chairmen are Chuck Miller, dinner; Bill Brook, prizes; Tony Starcevic, tickets; and Walter Henning, auction.

## PM&L Sets Tryouts

was too great; that what the majority of Americans caught in the squeeze wanted was something to tide them over until they could find a way to make ends meet on their own.

Anyone acquainted with the American system of welfare has long since done away with that line of thought. Through the years we have developed a welfare dependency among many of our people. The welfare rolls in this country, for example, continued to climb

even while shortages were developing in many lines of work available to the unemployed.

ANOTHER PROBLEM has been instilling in some people the idea that some kinds of work are beneath their abilities and therefore should not be engaged in, even as a stop-gap measure.

In the crisis that confronts the country today, one of the first things to do is conduct a thorough investigation of present welfare rolls and programs

to see what kind of savings can be made.

These times require the closest scrutiny of all government spending, whether for welfare programs or measures of defense.

While I am a strong believer in an adequate defense system, I also believe some savings can be made in our methods of procurement and other areas where waste and inefficiency have been allowed to creep into Pentagon operations.

The man with a new idea is a crank until the idea succeeds.

It goes something like this: Snowmobile clubs spend an evening driving from one restaurant or tavern to another. They make seven stops in all, and at each place a new deck of cards is opened. ## Celebrates Her 90th Birthday

Mrs. Ella (Edgar) DeLattre, who came to Antioch 56 years ago, in 1919, celebrated her 90th birthday on Tuesday.

The celebration will be resumed on Sunday when her family presents Ella with a big party in McHenry.

Among the guests will be six grandchildren, and their spouses, 20 great-grandchildren and five great-great-grandchildren.

She came to Antioch in 1919 as Ella Bickley to spend two weeks of vacation at the Sylvan Beach Hotel on North Channel Lake. The owners of the hotel asked her to stay and Ella came back every summer until 1925, when she became the wife of Arthur Edgar, who owned the Edgar House at the corner of Main and Orchard.

Mr. Edgar died in 1948. She married Jules DeLattre in 1966 and he also preceded her in death.

She now makes her home in Antioch.

"I've seen a lot in my 90 years," she said, "from horse-drawn carriages to cable cars to jets ... from candlelight to men on the moon."

Florida: Partly sunny at first, then scattered showers; end of week cold and rainy with possible snow in north.

Upstate & Western N.Y.-Toronto & Montreal: Rain changing to snow to start, then very cold; some clearing and seasonably cold latter part.

Greater Ohio Valley: Week begins cold with flurries, then heavy snow in mountains; end of week clear and mild in west but colder in east.

Deep South: Early week rainy in northwest and central, and light snow in north and east, then clear and frosty; end of week clear and cold.

Chicago & Southern Great Lakes: Snow to start, then clearing and very cold; sunshine and warmer latter part.

Northern Great Plains-Great Lakes: Early week clear and unseasonably cold; end of week still clear but mild.

Central Great Plains: General light snow at first, then clearing and cold; end of week clear and mild.

Texas-Oklahoma: Cold snap to start with light snow in north, then some hard showers in east and along Gulf; rain ending latter part, clearing and mild.

Rocky Mountain Region: Clear and seasonable at first, then showers in south; end of week rainy in central and north.

Southwest Desert: Light showers in south and east about mid-week but clear and warm in northwest; end of week generally clear and quite warm.

Pacific Northwest: Most of week clear and mild; heavy rain and colder latter part.

California: Early week cloudy and cool; end of week overcast in south and light rain in north.

# ABC's of Travel

By BARB CORBIN

Tightening up on entry papers, many countries are making major changes more or less overnight for visitors.

Bermuda Immigration authorities will no longer accept voter registration cards and drivers licenses as valid identification for visitors to Bermuda from the U.S., according to the Bermuda director of tourism.

All visitors to Bermuda are advised that they must carry valid identification in the form of a valid passport, birth certificate or baptismal certificate. No longer can you enter on an expired passport.

AT ONE TIME many countries and islands would allow entry on an expired passport, but no longer.

Also birth registration is not acceptable for entry or passport application; visa application, etc.; it must be a stamped birth certificate. This I know from my own experience, for 13 years I went all around the world with my birth registration copy and

that is now no longer acceptable. It must be a copy of your birth certificate and, as long as it is a copy, you must have it notarized.

Upon checking, if you find your notice is a registration and not a certificate, just write to the capital of the state in which you were born and it will sent you a copy. But be patient for this takes two to three weeks.

THE PASSPORTS are once again good for a period of five years and the passport fee is \$12. You will still need two

regular, regulation size photos before applying for your passport. You can obtain a passport application from your local travel agency or from many post offices throughout the United States. Also, you can file your application with many of these post offices without going to great distance for a regular passport agency.

Once again, visas are required for entry into Australia. This new regulation applies equally to citizens of British Commonwealth countries, including the U.K., Ireland and Canada. The only visitors to Australia who are exempt are the Australian and New Zealand citizens.

It is for these reasons that I

say, "Check with your local travel agency or the countries consulate office of the country to be visited prior to your departure."

This can eliminate a large delay and great expense at the last minute.

Happy travels.

## Talent Show Has Several Winners

There were nine winners among the nearly 20 acts presented last Saturday at the Antioch High School's PTA talent show.

The grand prize winners were Michael Jadrach and Thomas

Koch, whose "Goose Island Revue" comedy act amused an audience of nearly 400.

Placing first in the vocal competition were Rusty Long, country and western singer, and Mickie Sopko, who presented a medley of songs.

Elaine Surrock and Kim Klopp won first prizes in dancing and Lynette Hamlin was first in "instrumental" for her piano solo.

Wendy Vickery was the winner in acrobatics with her ballet number. Steve Ksioszk, young ventriloquist, received first prize for "comedy."

## Oakwood Knolls Sells Dance Tickets

At the Feb. 26 meeting of the Oakwood Knolls Property Owners Association, Avon Cote and Tenza Jandula, co-chairwomen of the Spring Dance to be held April 5, announced tickets are on sale.

Call Avon at 395-1134 or Tenza at 395-3255 for tickets. The price is \$4 per person which includes dancing to the "Shelter" from 9 p.m. to 2 a.m., a delicious buffet and door prizes.

All the ladies of Oakwood Knolls should call Avon at 395-1134 to let her know what salad or dessert they will donate for the buffet.

IN OTHER business, Joe Pittman, beach chairman, reported the piers for the Lakewood property are about 80 percent complete. Joe thanked Kurt Denny, Bob Johnson, Clem Muresan and George Popescu for their help in setting the pipe for the piers in the water. Without Howard Schiffmann's gas-driven ice auger it would have been a difficult job.

President Bob Johnson announced that the by-law committee should have a report ready for members at the March meeting.

## Sequoit Girls Triumph

The Sequoit girls basketball team ended their season with another set of victories. The JV team defeated Grant 47-8 ending up with a 10-0 conference record. Top scorers were Debbie Rentner with 12, Michelle Blanchette tipped in 10 and Mary St. Pierre had 8.

The team finished the season with a 39 point offensive average while holding their opponents to 11. Debbie Rentner averaged 14 points a game and top rebounders for the season were Rentner, St. Pierre and Blanchette.

Leading the varsity to a 54-43 victory were Diane Cardiff, Judy Bjork and Kim Case with 16, 14 and 12 points respectively. Debbie Haling did a great job of ball handling.

Kim Vasek led the varsity in scoring for the season followed closely by LuAnn Oddsen. Top rebounders were Vasek and Cardiff. Offensively the team averaged 51 points while holding their opponents to 30

points defensively.

To finish the season, the varsity will compete in the Zion Classic Tournament this Saturday at 1:30 p.m.

### World Day of Prayer To Be Observed Here

The Church Women of Antioch, representatives of parishes throughout the township, will join millions of people in a "chain of prayer" spanning six continents.

This 89th celebration of World Day of Prayer will be observed at St. Stephen Lutheran Church, Rt. 59 at Hillside Ave.,

beginning at 1 p.m. on Friday. Nursery care will be provided and all women are invited to attend.

Sister Julianna, a member of St. Benedict's convent, will keynote the theme, "Become Perfectly One" -- a search for Christian unity in the broader context of a pluralistic society.

She will be assisted in the service of women of other area churches.

For further information, call Mrs. Philip Laurin, 395-1822.

### Hahns on African Safari

George and Irene Hahn of 518 Garys Drive, are off on an African safari.

They left Saturday and their first stop was Rio de Janeiro in Brazil, where George may do some shopping for diamonds and semi-precious stones.

From there, they will fly to Africa to visit Johannesburg, Capetown, Nairobi and other cities.

In Johannesburg they will

visit the largest gold mine in the world and in Kimberly, S.A., they will tour the world-famous diamond mines.

George plans to take a lot of movies and slides during the trip. The Hahns have done considerable world traveling and will visit four continents this time. From Africa they fly to London and then return to Antioch on Mar. 25.

### Kevin Mulhern Will Emcee VIP Dinner

Kevin Mulhern, assistant principal and sixth grade teacher at St. Peter's school, is busy these days getting the program together honoring Antioch's first V.I.P. Couple of the Year, Elmer and Gert

# Sequoits Begin Regional Action Tonight

"Well, we're ending one season and starting another," said Roger Andrews, Antioch's basketball coach.

What he meant is that his Sequoits have wrapped up the conference championship and now embark on the tournament trail.

They finished the Northwest Suburban Conference season last week by running away from Warren's Blue Devils in a 77-56 romp. The Sequoits won the championship with a 12-1 record.

TONIGHT THE Sequoits host the regional tournament at their gym. They face Round Lake at 7 p.m. Later, at 8:30, Grayslake

takes the floor against Grant. Tonight's winners return for the championship game on Friday at 7:30 p.m.

The winner of the Antioch regional advances to the Rockford sectional tournament at Rock Valley Junior College.

The Sequoits are favored to win their own regional. However, they defeated Grant by only 67-60 in a recent meeting. And then they were upset — shocked, in fact — by Grayslake, 83-72.

So, presuming Antioch gets past Round Lake tonight, Friday's game against either Grant or Grayslake might be interesting.

Please turn to page 13.

**SEQUITO BASKETBALL MANAGERS** — Carl Teichman (left) and Bill Molinarolo have been "the men behind the men" in Antioch's successful basketball season. Carl has been a varsity team manager for two years after one year as sophomore manager. Bill has been with the varsity for three years. Coach Roger Andrews said: "Their work, cooperation, dedication to the team and care for the well-being of the varsity players has been outstanding. They are the right-hand of the coaches. Their value to the success of the team can't be told in words ... it is just super to have managers the caliber of Bill and Carl. Antioch High School's basketball program will miss the likes of such fine young men."

## Jody Patrovsky Named Top Fan

Jody Patrovsky, an Antioch High School student, has been named "Miss Basketball Fan of 1974-75."

She won the honor at last Friday's "Parents Night" game against Warren.

Jody and three others — Kandy Gawerecki, Patti Wilton and Lori Haviland — had been nominated for the award by the cheerleaders and coaching staff.

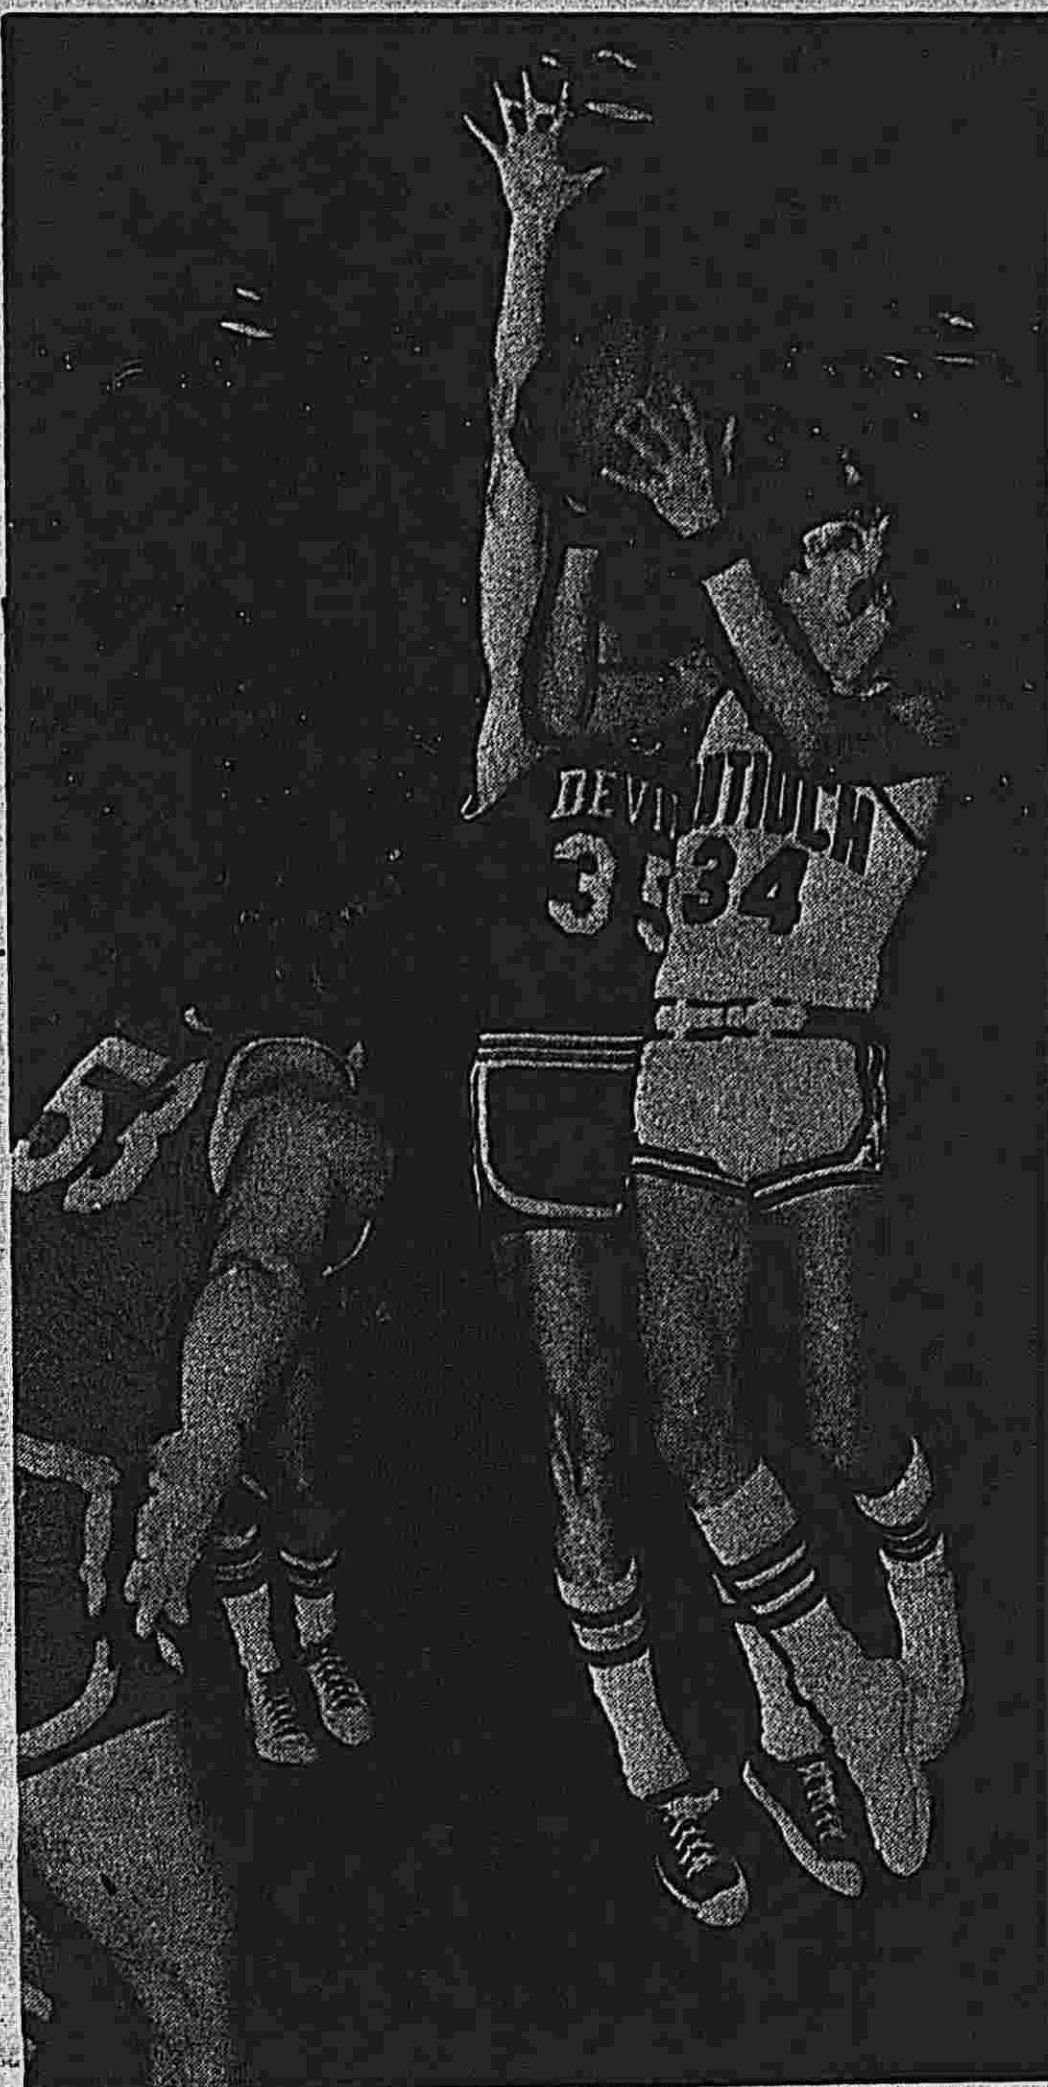

The award goes to a young lady who has shown school spirit, loyalty and overall enthusiasm toward the Antioch

## Emmons Wins

Emmons won the conference tournament with a 62-40 win over Grass Lake. Mick Carl led all scorers with 23 points and 7 rebounds. The Raiders were led on defense by Gred Bodin who also added 8 rebounds.

The seventh grade team won its title led by Dee Maras with 13 points and Kurt Selak with 14.

Nothing so needs reforming as other people's habits.

**ANTIOCH'S TOP SCORER**, Mike Perrone, will lead the Sequoits in regional tournament action here tonight. They play Round Lake at 7 p.m. in the opening game.

## Frosh Win Title

Antioch's freshman basketball team finished first in the conference with a record of 11 wins and 2 losses. First place was clinched with a 46 to 40 win over second place Warren. The two teams were tied going into the final game of the season.

Antioch led throughout the contest which was tight until the fourth quarter. Antioch's leading scorer, Tom Huebner, picked up his fourth personal foul with two minutes left in the first half. He sat out the remainder of that quarter and all of the third as Antioch still took a three point lead into the final quarter. Antioch went into a zone which allowed them to lead by as much as 10 points during the period.

Tim Huebner led with 17 points and 11 rebounds. Tom Huebner added 13 points and 6 rebounds, Dennis Korjenek chipped in eight and John Eder scored six.

# Fantastic Globetrotters Will Be Here Apr. 3

The Harlem Globetrotters are heading toward Antioch for their game at the local high school gymnasium on Thursday, Apr. 3, at 7:30 p.m.

There is no touring attraction anywhere like the fabulous Globetrotters. They hopscotch their way across fall, winter and spring, presenting their basketball magic in a different city each day.

The Trotters' touring company is actually a small army of 35 people. Travelling on tour are the Globetrotters, a professional team that plays against them, variety artists, referees, announcer, equipment men, a trainer to look after aches and ills, and the man responsible for the troupe, the business manager.

Knowing if it's Tuesday it must be Belgium, the Trotters are "at home" in more than 1,300 cities in the U.S. alone. It is remarkable to see the ease with

which they move over the 75,000 mile tour spanning six months of the year.

Antioch is one of the 180 stops this band of merry-makers will make on their current tour.

An amazing thing about Harlem Globetrotters is when the public address announcer introduces them. The Trotters run on the court with the excitement of doing it for the first time ever. That thrill never seems to get old for the Trotters. And there is something magic about their performance, which has been packing gymnasiums for many years.

Pres Reckers, chairman of the Antioch Chamber of Commerce committee sponsoring the game, said that all Chamber members will be selling tickets.

Tickets for adults will cost \$5 and for children 12 years of age and under \$4.

## AND THE \$15 PRIZE

## George Boyd Wins Contest

A staggering amount of entries poured in for the Antioch News basketball contest last week. A lot of people came close, but nobody hit the final score on the head.

Antioch beat Warren by 21 points, 77-56.

Coming closest was George Boyd of 293 Park Ave., who picked Antioch to win by 20. He wins the first prize of \$15.

Jayce Redmer also picked Antioch by 20, but he lost out in the tie-breaker when George came closer to predicting the outcome of the sophomore game. Jayce, however, wins the second prize — a \$10 gift certificate at Grass Lake Lumber.

Third place also had to be decided by the tie-breaker, because three contestants picked Antioch to beat Warren by either 19 or 23 points. Bob Dubek came closest to predicting the sophomore score, so he wins the third prize — a \$5 savings account at the Antioch Savings & Loan Association. The other experts were Dick Witt and Steve Lasco.

THIS WEEK'S contest might be even more interesting. The

idea is to pick the winner of Friday's regional championship game here. And then to pick the amount of points by which that team will win.

Antioch is expected to get past Round Lake in tonight's opener, so the Sequoits probably will face either Grant or Grayslake in Friday's final.

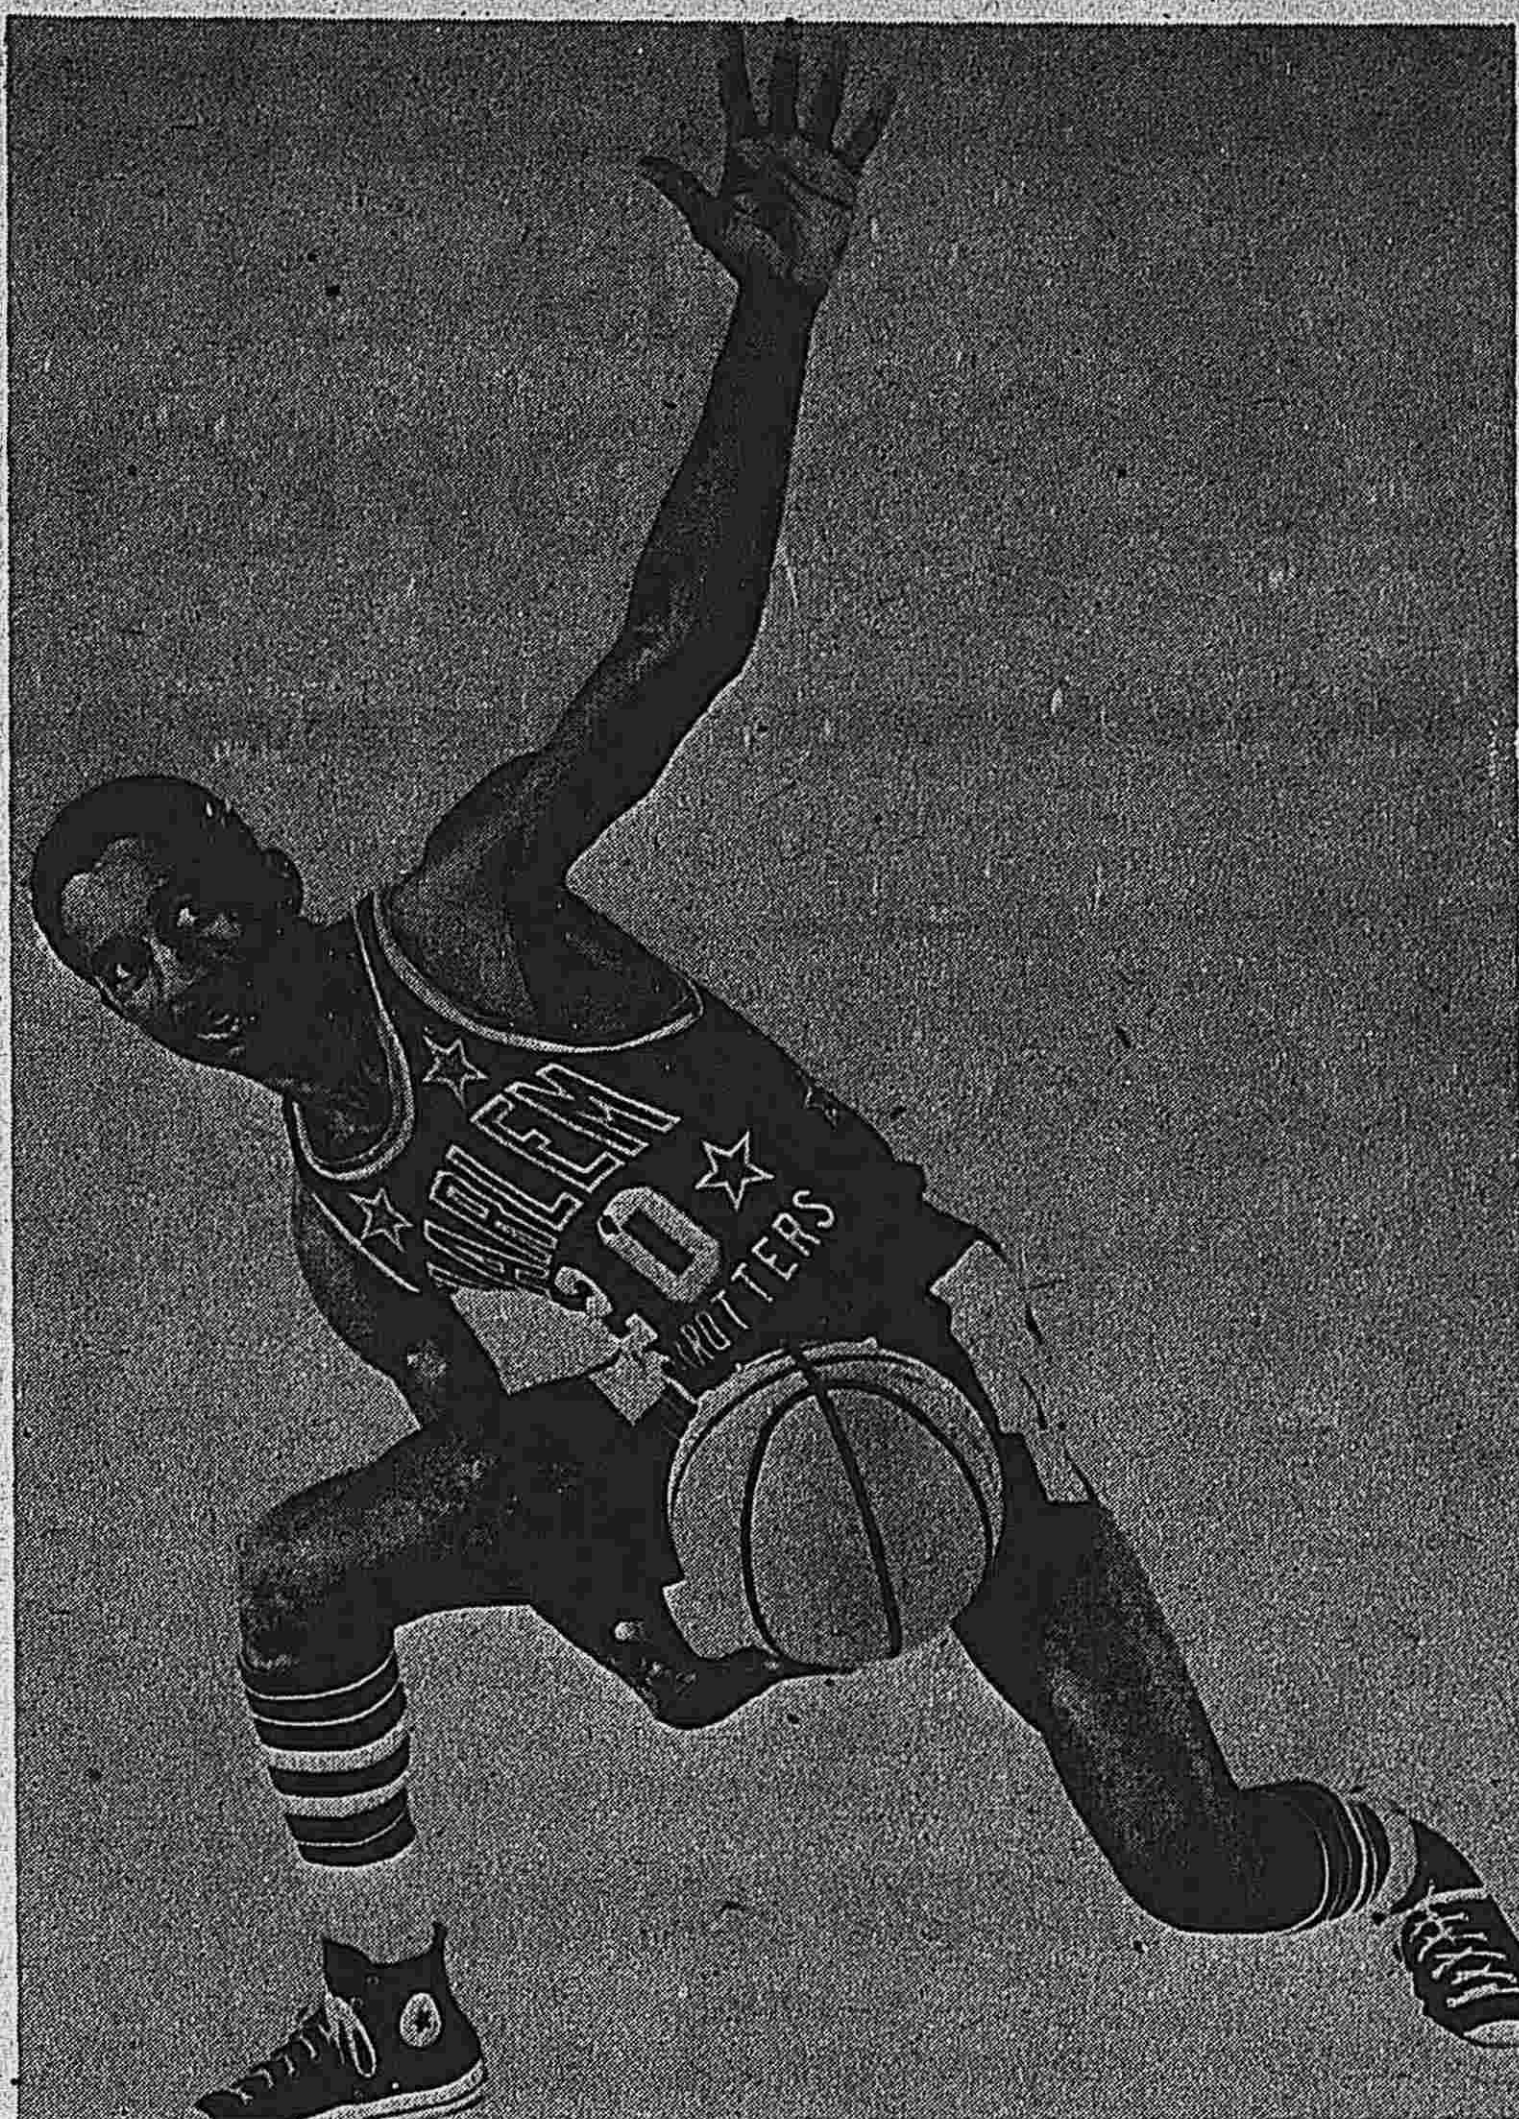

Contestants probably will wait till they see which teams triumph tonight and then fill out their entry on the basis of the two survivors. The blank appears on page 12.

First prize is \$15. Second prize will be a \$10 gift certificate at Antioch Firestone and third prize a \$5 gift certificate at Antioch Firestone.

## Frosh

Continued from page 11

Antioch Coach Norm Hahn was most pleased by the team play, "We made several adjustments during the game and everyone responded well. I was especially happy with our play during the third quarter when Tom Huebner was sitting out. The other players bore down and played extra hard.

ONE OF THE MOST FAMOUS Harlem Globetrotters of all is Marquis Haynes, dribbling wizard, who will appear with his teammates in Antioch on Thursday, April 3. The famous basketball troupe will begin performing at 7:30 p.m. and tickets are being sold in advance by Chamber of Commerce members.

## Sequoits

Continued from page 11

THE SEQUOITS shot a blazing 64 percent from the field as they crushed Warren's Blue Devils last Friday.

It was Antioch's second consecutive conference title and fourth in the last six years. The other two times they finished second.

These were the final won-lost records in the league:

Antioch 12-1, Warren 9-4, Stevenson 9-4, Cary Grove 8-5, Grant 7-6, Round Lake 6-7, Grayslake 6-7, Wauconda 4-9, Woodstock 3-10 and Lake Zurich 1-12.

ANTIOCH WAS sluggish in the first quarter against Warren and led by only 16-14, but then the Sequoits began to pull away.

"Our boys just stormed them on the backboards and defensive-wise," Andrews said. "I was real pleased. Mickey Leafblad of Warren had been averaging about 30 points in his last four games and Mike Perrone held him to six, with some help from Perrone's teammates."

Russ Albano led Antioch scoring with 20 points. Perrone and Scott Kimball each hit 16 and guard Kevin Walpole, swishing six of his nine shots, finished with 12 points.

Kimball, incidentally, hit 5-for-5 and Mike Witt 4-for-6. Walpole had seven assists and Witt six. Albano, Perrone and Kimball dominated the backboards.

## CHRISTIAN SCIENCE CHURCH

We read in Genesis 1 in the  
 Bible that "God created man in  
 his own image, in the image of  
 God created he him; male and  
 female created he them."

In the Lesson-Sermon  
 "MAN" this Sunday at First  
 Church of Christ, Scientist, this  
 commentary from SCIENCE  
 AND HEALTH WITH KEY TO  
 THE SCRIPTURES by Mary  
 Baker Eddy will be read: "Man  
 is not matter; he is not made up  
 of brain, blood, bones and other  
 material elements. The Scrip-  
 tures inform us that man is  
 made in the image and likeness  
 of God."

Services begin at 11 a.m. at  
 First Church of Christ, Scien-  
 tist, Rt. 173 and Harden,  
 Antioch, Illinois, and the public  
 is always welcome.
